

Elite Semi Private Development Groups Summer 2010

MAX 8-10 players in each group

All ice times are at Langley Twin Rinks

Players need the opportunity to focus on their own individual games and take the time to dedicate themselves in a small group of ELITE players to push them out of their comfort zone. You must be prepared to commit to the full program, NO DROP INS. If you will be missing extended time due to holidays you can sell your spot to another player of equal or better skill level.
