IHD pre rep camps are very popular and **ALWAYS** sell out. We encourage you to register early to secure your place as we are not able to go over capacity due to fire regulations. Once camps are full we start a waitlist but generally speaking we don't have people give up spots so don't wait too long to sign up.

Make next season your best season, prepare for tryouts and give yourself the best opportunity to make your hockey goals a reality. Success occurs when preparation and opportunity meet so come out and be prepared, to be at your best!
